

ANIMALS AS BUSINESS PARTNERS!

Animalert has been serving the London area for over 30 years. We are a 100% volunteer organization, and over 90% of our funds go directly towards spaying/neutering, veterinary care, fostering and adoption of animals.

ADOPT-A-PET

A weekly feature in The London Free Press Classified section.

CHLOE (tri-colour on the left) loves **LADY** (on the right), and **LADY** loves **CHLOE**. So these bonded, 2 year old purebred Beagles are looking for a forever home together. They each weigh only about 20 lbs. & are healthy, spayed, housetrained and have shots up to date. These girls live comfortably with adults, school age children, & other dogs and cats. If your family can welcome two bundles of love into your household, call **CHLOE & LADY** today.

GUS wants to be an only child. This healthy 3 year old, neutered, orange DMH prefers the company of adults and really would be happiest as the only pet in the house. He loves to be brushed and he is nice enough to share your bed with you. **GUS** is litter trained, enjoys an indoor life and he loves to play. This fellow is well behaved, calm & easy going so if you have a quiet, adults only home and room for a **GUS** at your house, call him today.

- Sponsoring an Adopt-A-Pet ad is a great way to **promote your company** while helping the community.
- **Your company's name, logo, and information** will be shown with the Adopt-A-Pet ad in the Saturday Free Press.
- The ad **reaches over 300,000 readers in your business area**, and will be featured on our website for the week following the ad publication.
- Sponsoring an ad **promotes positive corporate image** for your company in the community.
- Sponsoring four ads for one year is only \$60.00 per ad. We will gladly accommodate requests for specific dates for your company's ad, and you also **receive a receipt and picture of your sponsored ad.**

Each Saturday, the Free Press co-sponsors the Adopt-A-Pet ads, featuring the photo & story of homeless pets awaiting adoption. The rest of the sponsorship must come from companies like yours to cover the cost of the ads. The ads run in the Classifieds under Pets of All Kinds. Thousands of readers turn to see each week's featured pets. They will recognize your company as a caring member of the community.
